

## Campus Head

**Dr. Andrew Turesky**

Andrew heads the student affairs and welfare at The Oxford Institute. He has over 25 years experience in student counselling and career guidance. Andrew is a graduate of the University of Columbia (USA) and the University of Oxford.

## Dean

**Dr. Ashlee Stetser**

Ashlee specializes in international law along with a degree in Diplomatic Studies from University of Oxford. She is currently teaching Gender Studies as Assistant Professor and manages the Student Welfare office at The Oxford Institute.

## Academics

**Dr. Megan Robb** (*Convener - Debates & English Language*)

Megan holds a Ph.D degree in Oriental Studies from the University of Oxford. She completed an MPhil degree in Modern South Asian Studies from University of Indiana, USA. Megan remained the General Secretary of the Oxford University Model United Nations.

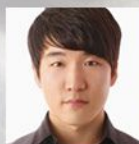

**Dr. Adnan Rafiq** (*Director - Social Sciences*)

Adnan holds a Ph.D degree in Politics and International Relations from the University of Oxford and an MPhil degree in Innovation, Strategy and Organisation from Judge Business School, University of Cambridge. He is a published author and has over 10 years experience of academic research and teaching.

**Dr. Anna Swennson** (*Director - Arts & Humanities*)

With a background in English Literature (BA, University of Oxford 2008), Anna holds a PhD in the History of Science, Technology and Environment. Her current research areas engage with the challenges and possibilities of interdisciplinary research, the history of botany, and early modern collecting cultures.

**Mr. Harry Lee** (*Director - Physical Sciences*)

Harry is a graduate of Oriel College, University of Oxford in Molecular and Cellular Biology. He was also a visiting scholar at Princeton University, USA for the academic year 2013-14.

Annual Summer Programme

## THE OXFORD EXPERIENCE

*Experience of a life time, at the right time in your career*

2 Weeks Residential Summer Programme  
at University of Oxford's campus

## Introduction:

The Oxford Institute is an organization founded by the academics at the University of Oxford. Its flagship Summer Programme introduces the students to the latest debates and developments in the subject of their choice within diverse fields of study. Following are some of the features of the program:

<b>Campus</b> Students stay within the Oxford University campus and use all the facilities otherwise only used by students enrolled on university's degree programmes.	<b>Courses</b> We provide extensive training in two subjects (major and minor) of students' choice through lectures and tutorials.
<b>Co-Curricular Activities</b> A range of activities and sessions are organised to enhance the student's leadership and communications skills and prepare them for a successful career.	<b>Excursion Trips</b> Trips to various historic colleges at the university, museums, palaces and key tourist attractions in and around Oxford and London are included.

The program provides a life changing opportunity to the students and inspires them to strive for the best in life. They get to interact with the best minds in the subjects of their interest and in an environment that has been shaped, tailored and refined for sharing of knowledge over the last millennium.

Prominent people who have studied at Oxford include at least 26 British Prime Ministers including Theresa May & Margaret Thatcher, over 30 world leaders such as Indira Gandhi & Imran Khan, writers such as Oscar Wilde & T.S. Elliot, Philosophers such as John Locke and Thomas Hobbes and scientists such as Albert Einstein and Stephen Hawking. So don't miss this chance to experience the medieval alleys, spires and towers that inspired the people who shaped the world by significantly contributing in their respective fields!

## Courses:
